### Availability of BH - Gampola – Ophthalmology Post in HRMIS-SM Application Portal

This refers to the earlier communication dated 10.03.2025, 19.03.2025, 25.03.2025 and 07.04.2025 regarding Annual Transfers of Specialist Medical Officers.

It has been brought to our attention that the Ophthalmology post at the Base Hospital Gampola was inadvertently not displayed in the HRMIS - Specialist Module application portal during the Annual Transfers 2025 process. This issue has now been corrected, and the said post is available for application.

Accordingly, the HRMIS -SM application portal will be re-opened exclusively for Specialist Medical Officers in Ophthalmology to apply for the BH Gampola post.

- Application period (Ophthalmology only): Now open until 14th April 2025
- Withdrawal period (Ophthalmology only): Extended until 17th April 2025

All eligible Specialist Medical Officers in Ophthalmology are kindly requested to take note and submit or adjust their preferences accordingly.
