Registration in HRMIS for Replacement List 2024

This is to inform all acting consultants who have completed foreign training, regarding the mandatory registration for the Replacement List 2024. As an eligible applicant for the Replacement List 2024, it is essential that you have to register in the Human Resources Management Information System (HRMIS).

All acting consultants who have completed foreign training, **excluding those eligible applicants who have applied Annual Transfer 2024**, are required to register in the HRMIS. Please note that only registered acting consultants in HRMIS can apply for the Replacement List 2024. Any acting consultants who fail to register by the deadline will only be considered for remaining vacancies after allocating positions to registered acting consultants.

To register in the HRMIS, please use the following link: <https://hrmis-sm.health.gov.lk>. Use your **National Identity Card Number** as the username when you register in the system. We urge you to complete this registration process at your earliest convenience to avoid any inconvenience or potential exclusion from the Replacement List. Please ensure to fill all relevant data fields accurately and double-check your information and all acting consultants reported to the Tertiary Care Services after foreign training **on or before the application closing date** must apply for the Replacement List. Failure to comply will result in disciplinary action as per the Transfer Board's decision.

The attached document shows the list of vacancies identified from the **End Post Transfers 2024** and the **Annual Transfers 2024**. If you notice any additional vacancies that should be included or any vacancies to be omitted to activate the Replacement List 2024, or if you identify any service needs, please inform the Director TCS at tesannual2024@gmail.com. If you encounter any difficulties or have any questions regarding the registration process, please contact:
