Directorate of Planning – Management, Development, and Planning Unit

Ministry of Health

Preface

The Planning Directorate of the Ministry of Health, Sri Lanka updates the human resource profile of the Line Ministry institutions biannually. The approved cadre and the number in position are updated in all the healthcare institutions. This report provides the updated human resource profile which includes the approved cadre and the cadre in position in all the healthcare institutions under the Line Ministry as of 30th June 2024.

About 288 categories of staff are working in 121 institutions functioning under the Line Ministry at the end of 30th of June. However the cadre in position which was 83036 as of 31st December 2023 has increased to 83640 in 30th June 2024.

This report includes cadre positions of Ministry of Health Head Office, two National Hospitals, 12 Teaching Hospitals, six Specialized Teaching Hospitals, nine Other Specialized Hospitals, thirteen District General Hospitals, seven Base Hospitals , three Divisional Hospitals, 30 training school, 15 Public Health Campaigns which are under Line Ministry.

This publication was made with the support extended by all the institutions mentioned above. It is expected that this would facilitate human resource planning and deployment in the healthcare institutions in the country.
